INTERNATIONAL, LLC

Facilitating Collaboration
and Enhancing Security
Worldwide.

Weapons of Mass Destruction (WMD) Nonproliferation

REDUCING AND MITIGATING HOMELAND AND INTERNATIONAL THREATS. Culmen International supports United States Government efforts to reduce the threat of chemical, biological, radiological, and nuclear (CBRN) weapons landing in the hands of terrorists, rogue nations, and criminal organizations. We work to minimize the illicit use, transfer and transport of WMD materials by strengthening partner country facilities and borders through site security surveys, threat assessments, border security enhancements, radiation detection, demilitarization, and partner capacity building initiatives. Culmen bolsters client's WMD Nonproliferation capabilities by providing:

- Program Management and Acquisition Support
- Technical Subject Matter Expertise
- Training and Exercise Facilitation
- Language Services

WHO WE ARE

Culmen International provides a large portfolio of technical and management services supporting clients worldwide with extensive experience operating in over 85 countries on six continents (including the regions of Eastern and Western Europe, the former Soviet Union, the Middle East, Southeast Asia, Africa, and Latin America).
