Foreign Materiel Acquisition (FMA)

A PROVEN NETWORK SUPPLIER THAT HAS SUCCESSFULLY COMPLETED HUNDREDS OF FOREIGN MILITARY ACQUISITIONS.

Our expertise and experience in foreign military equipment procurement, global logistics, and technical services support the U.S. Government's objectives to include test and evaluation, training and exercises, and security cooperation. We are licensed by the Department of State, Directorate of Defense Trade Controls, and Bureau of Alcohol, Tobacco, Firearms and Explosives to export, import, and broker defense articles and services. Culmen manages new production, coordinates overhaul and refurbishment, and conducts acceptance testing. We coordinate end to end international shipping to include export -, import - and transit permits, shipment preparation, multimodal transport, and customs clearance. We have experience with a wide range of small arms and ammunition, ordnance, tracked and wheeled vehicles, radars and air defense systems, aircraft, spare parts, simulation systems, and operation and maintenance manuals.

WHO WE ARE

Culmen International provides a large portfolio of technical and management services supporting clients worldwide with extensive experience operating in over 85 countries on six continents (including the regions of Eastern and Western Europe, the former Soviet Union, the Middle East, Southeast Asia, Africa, and Latin America).
